Art Unit: 3617

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Catanzaro on 11/23/10.

A typographical error appeared in paragraph 5 of the original Examiner's Amendment mailed 11/09/10. This amendment is supplemental to, and replaces the original incorrect version. The "and configured to minimize loss of deck strength" phrase has now been inserted between the comma and "therefrom" instead of after the comma in the original version.

The application has been amended as follows:

The phrase "the deck plate" is changed to read -- **a deck plate** -- in line 2 of claims 1, 24 and 26.

The phrase -- **and configured to minimize loss of deck strength** -- has been added between "**therebelow**" and "," on line 6 of claim 1, on line 4 of claim 9, on line 6 of claim 21, on line 7 of claim 24, and on line 6 of claim 26.
